## EDUCATION

Contact: Thom O'Mara 757.789.1766 or Dean of Instruction 757.789.1748

Purpose: The Education Degree offers future teachers flexibility in planning the two-year, general education component required for transfer to a senior institution granting state licensure. Upon completion of this phase of the course work, students will transfer to a four-year college or university to complete their subject area course work, teacher preparation courses, student teaching, and licensure. Students should do their best to design their classes at ESCC according to transfer requirements, receive a course grade of "C" or better, attain the required GPA (a 2.50+ is recommended), and pass Praxis I before transferring. **See page 91 for electives.**

**Secondary Education majors are recommended to take a second semester of pre-calculus (MTH 164).**

---

<sup>2</sup> ODU requires the third natural science be Chemistry I (CHM 111 – a lab science); other schools may require that the third natural science be a non-lab or lab science other than biology.

<sup>3</sup> Education majors are urged to refer to transfer college's requirements and to consult with their faculty advisor in these course selections.

<sup>4</sup> Recommended General Elective courses: GEO 200, PHI 101, PSY 201 or 235.

<sup>5</sup> EDU 200 presently transfers to ODU in place of ECI 301 and to Salisbury University as ECED 215.

## GENERAL STUDIES

Contact: Barry Neville 757.789.1776 or Dean of Instruction 757.789.1748

Purpose: The General Studies curriculum offers students the flexibility to design a program which meets their own particular interests and occupational objectives while meeting the standard requirements for the Associate of Arts and Sciences degree. An important feature of the General Studies curriculum is that students are not required to declare a specialized subject field during the first two years of undergraduate education. Most General Studies graduates plan to transfer to a four-year college or university to pursue more specialized studies at the baccalaureate level; however, some graduates may satisfy their educational goals by completing this program.
