A disclaimer will be included on special event invitations programs (Commencement ceremonies, Heritage Celebration, special events, etc.) specifying that a photographer will be present. For example: *Thank you so much for joining us today. Photographs taken at this event may be used in perpetuity for ESCC and ESCC Foundation printed and electronic media. ## **EASTERN SHORE COMMUNITY COLLEGE FOUNDATION**

The Eastern Shore Community College Foundation is a not-for-profit organization established to help the college provide the best possible learning and teaching environment for residents of the Eastern Shore, provide scholarships that enable students to pursue a college education, and motivate younger students through its Project Horizons program.

The mission of the ESCC Foundation is to support the educational aspirations of the citizens of the Eastern Shore by raising funds and managing its financial assets to support the Eastern Shore Community College and its educational programs.

Incorporated in 1997, the Foundation is a supporting arm of the College, but it is fiscally and organizationally separate from the College. Funds raised by the Foundation have helped renovate and modernize labs, provide educational software, purchase handicapped-accessible furniture, support Project Horizons, and provide 70 annual scholarships, including several merit-based Presidential Scholarships.
