

I need to log into a library computer.

1. Type User name — the part of your email address before @.
(Example: pjones1234)
2. Type temporary password — “Es” followed by your six-digit birth date.
(Example: Es030485—for March 4, 1985)
3. When asked to create a password, use a minimum of eight characters
(with at least one capital letter, one lowercase letter, and one number).
4. For help, see Jay, Malcolm or Cindy in the Information Technology Office.

I need to find my ESCC email address, Blackboard ID, and EmplID.

Go to the library’s email computer and click appropriate link.

Hint: If you do not know your User name, you will need your EmplID or SSN.

If you have forgotten your password or gotten locked out of the network...

go to the Information Technology Office (A50) for help.
