

I am an ESCC student and want to access library databases from home.

1. Go to ESCC's homepage <<http://es.vccs.edu/>>.

Click “Library.”

Click “Students Start Here.”

Click “Databases – Top 10 Student Picks.”

2. Choose a database related to your topic.

AP Images

EBSCOhost

Facts On File

Literature Resource Center

Opposing Viewpoints

CQ Press

Factiva

Gale Databases

NewsBank

OVID

For additional databases, choose “[Click Here for All Available Databases.](#)”

3. Type your **Username** and **Password**.

Username is the part of your VCCS email address before @. (Example: pjones1234)

Find your username at <https://es.my.vccs.edu>.

Password is the same one used for VCCS email, Blackboard & Student Information System.

(If you have not yet done so, you can set your password at <https://es.my.vccs.edu>.)

4. Click on the “**Log in**” button.
5. Contact Charles Killmon (789-1722 or ckillmon@es.vccs.edu) for help.
