ESCC QEP Mission

The Quality Enhancement Plan at Eastern Shore Community College prepares students for success by enhancing their information literacy skills in traditional and emerging formats.

Developed primarily from the American Library Association Information Literacy Competency Standards for Higher Education and James Madison University’s Information Literacy Skills for General Education.
What is it?
Web-based modules that introduce library services & collections and teach information-seeking skills

Where can I find it?
http://library.vccs.edu/reference/Connect/

How do I complete a module?
1. Read the objectives.
2. Read through instructional content.
3. Complete the exercises.
4. Submit your score.
5. Print out a score summary for yourself.

What is the VCCS Information Literacy Competency Assessment?
Some colleges or faculty members require students to participate in an assessment of information literacy skills. To prepare for this, students should read and complete exercises for all seven CONNECT for Success Modules.
