

CAREER STUDIES CERTIFICATE

EARLY CHILDHOOD DEVELOPMENT

CURRICULUM CHECKLIST

Contact Stephanie Zodun @ 757.789.5929

This program may be looked upon as the student's first step in understanding the developmental needs of young children. It provides basic instruction about the profession, curriculum development, behavior management, health, safety, and nutrition. The program is designed for individuals considering a career in the field of early childhood education, for employees in a child-care program needing professional development, or parents looking to increase their understanding of young children and what constitutes a quality early childhood program.
