

Accomack-Northampton

Economic Forecast 2014-15

Wednesday October 15, 2014 (8:00am – 12:30pm)

ESCC Workforce Development Ctr., Melfa, Virginia

KEYNOTE SPEAKER: Dr. Memo Diriker, Founding Director
BEACON at Salisbury University and
President, Salisbury Area Chamber of Commerce

Dr. Diriker will analyze economic indicators and provide insights on the impact of new developments at NASA's Wallops Flight Facility and how those impacts can generate community and economic development as well as opportunities for Eastern Shore businesses

Don't miss this exciting opportunity for your business to learn about and plan for the expected economic conditions in the year ahead. Regional and Commonwealth level experts will be providing analysis of the current opportunities and challenges facing the regional, the national and global economy. Presentations will be made regarding specific industries with a special focus on the potential economic development impact that the growing NASA Wallops Flight Facility will have on entrepreneurial opportunity in both counties. Panel discussion topics will be critical to Virginia's Eastern Shore including tourism, agriculture, aquaculture and general small business concerns. Participants will hear from local small business leaders as well as government officials who will discuss resources to help Eastern Shore businesses best take advantage of local emerging economic conditions.
