

*2019 Heritage Celebration  
Saturday, February 23, 2019  
10:00am-3:00pm*

Greetings!

Eastern Shore Community College would like to invite you to join us for the 18<sup>th</sup> Annual Heritage Celebration on Saturday, February 23, 2019. Your participation will certainly add to a broad and varied offering of arts, crafts, demonstrations, exhibits, children's activities, live music, food, and more. This will be the last to take place in our original Academic Building.

We are excited to continue our collaboration with the many talents of the Shore and the region, and offer a growing and diverse attraction that represents the area's rich heritage. We do encourage participants to demonstrate their work, along with their displays and presentations.

ESCC offers you space free of charge, on a first come, first serve basis. We host participants in both the Workforce Development Services building, and our main building on campus. We will offer enticements to ensure visitors travel the entire outlay of the celebration, such as the return of our "Heritage Sampler Scavenger Hunt". This was a big success in recent years, and we feel it helped create an even flow of traffic in both buildings.

We once again request that participants please donate an item for the sampler that represents your participation in the festival. These items are organized into several groupings and displayed in the main building. In order to gain entry in the sampler giveaways, visitors will have to answer a series of questions based on displays and participation in both buildings. We'd appreciate you informing us of what you intend to contribute with your registration, as it helps to promote the event (and you).

Please complete and return the included form to the college. The deadline to register is February 1. Address, fax, and email information is included at the bottom of your registration form. Feel free to screenshot and email completed forms if that is more convenient. If you know of other artists who may be interested, thank you in advance for sharing the info.

Feel free to call (757-789-1797) or email ([wlecato@es.vccs.edu](mailto:wlecato@es.vccs.edu)) with any questions, and thank you for participating!

Bill LeCato  
Marketing and Development Officer, ESCC
