FALL SEMESTER 2020 Class Delivery Plan

All On-campus With Zoom Option

All class meetings will be held on-campus. Students who cannot attend on campus due to health reasons, may participate through Zoom.

All On-campus With No Zoom Option

This class meets on campus class. Students must attend all class sessions in the lab.

Hybrid (sometimes on-campus) With Zoom Option (e.g. a class where in-person delivery is beneficial, but not essential)

This class will be delivered through a mixture of on-campus instruction and remote instruction. Dates for on-campus sessions are to be determined. Students who cannot attend on campus due to health reasons, may participate through Zoom.

Hybrid (sometimes on-campus) w/no Zoom Option (e.g. a class where in-person deliver is essential because of access to equipment)

This class will be delivered through a mixture of on-campus instruction and remote instruction. Dates for on-campus sessions are to be determined. Students must come to campus for the scheduled sessions.

Zoom online

This class meets online during the scheduled days and times using Zoom conferencing software. Students must have access to a computer and the internet.

Anytime Online

This course is delivered online without any required Zoom meetings, but students will have firm deadlines for tests and assignments. Students will have live access to an instructor each week for office hours through Zoom, phone, chat, or email. Students must have access to a computer and the internet.
