NASA STEM Engagement

INTERN

Being an astronaut isn't the only cool thing about space. Interns use their creativity and innovation to work on projects impacting NASA's mission, such as returning to the Moon. As a NASA intern, you will be part of an amazing team that is dedicated to space exploration. You will work with leading experts and gain valuable experience as you participate in research and mission projects. Come dream with us and change the future. Applicants for this internship must be U.S. citizens.
