

Dependent Student Household Verification Form 2022-2023

Your Free Application for Federal Student Aid (FAFSA) has been selected for review in a process called "verification". The U.S. Department of Education requires that Eastern Shore Community College compare the information reported by you (and your parents if a dependent student) on the FAFSA to your actual financial documents. Federal law stipulates that schools maintain the right to review this information before awarding federal aid, in order to comply with federal regulations. Any errors on your FAFSA that are discovered during the verification process will be corrected electronically by Eastern Shore Community College with the U.S. Department of Education.
