### ***SUPPORT OUR YOUTH!***

You can contribute to the dreams of our future Eastern Shore Leaders with your tax-deductible financial contribution. Scholarship winners are announced through local media, and presented at ESTACI's annual Empowering Women Awards Luncheon in August.

Eligible students are graduating seniors from Northampton and Accomack counties who are planning vocational or college career paths, who may not fit the requirements of traditional scholarship programs, and who would otherwise not be financially able to pursue their career dreams due to the impacts of racism, sexism and/or poverty.

ESTACI is a 501(c)3 non-profit organization committed to reducing the impact of poverty on the lives of ESVA residents. For more information on ESTACI, our Empowering Women & Girls Initiative, or our Young Leaders Scholarship Awards, please contact Gerald or Polly Boyd at 757-656-3460, or [info@estaci.org](mailto:info@estaci.org).
