Your Free Application for Federal Student Aid (FAFSA) has been flagged by the U.S. Department of Education due to conflicting financial information reported for 2022. The U.S. Department of Education requires that Eastern Shore Community College collect information about any untaxed income and/or additional financial information that you and your parents received to support your household during 2022. Federal law stipulates that schools maintain the right to review this information before awarding federal aid, in order to comply with federal regulations. Any errors on your FAFSA that are discovered after review of this form will be corrected electronically by Eastern Shore Community College with the U.S. Department of Education and further documentation may be required.
